- Develop skaters' technical skills in a positive and supportive environment.
- Assess and monitor athlete progress.
- Prepare and accompany skaters to assessments and competitions.
- Create and implement training plans appropriate to athlete development.
- Choreograph programs as required.
- Contribute to club events, showcases, and annual ice shows.
- Work collaboratively with fellow coaches, volunteers, and club leadership.
- Follow all Skate Canada policies, procedures, and Safe Sport requirements.
- Approximate hours/week: 10-12 hours

Qualifications:

- Registered Skate Canada Professional Coach in Good Standing.
- Certification to coach the StarSkate Program.
- Strong communication and organizational skills.
- Passion for athlete development and long-term success.
- Ability to work effectively within a coaching team.
- Current First Aid, Respect in Sport, and other Skate Canada requirements considered an asset.

Compensation:

- Competitive compensation based on certification level & experience. Range between \$35-\$50 per hour.
